 **AMTEC WAIVER FOR ENGINE DISASSEMBLY**

I, \_\_\_\_\_, the authorized representative of  
(Name)  
\_\_\_\_\_, agrees to the disassembly of our  
(Company)  
engine \_\_\_\_\_ being submitted for the  
(Brand and Model)  
sole purpose of AMTEC agri-fishery testing and evaluation.

I fully understand that the said disassembly of engine is part of the testing verification process. I understand that certain operational and technical risks are inherent to the disassembly of the engine, and we fully accept those risks. Although there may be a great variety of other risks not known or reasonably foreseeable, I acknowledge that the Agricultural Machinery Testing and Evaluation Center (AMTEC) is not responsible for any harm or damage that may occur.

As such, I also agree that our party should re-assemble the engine after the release of the corresponding Test Report.

By signing and submitting this Waiver Form, I hereby understand and agree with the terms enclosed in this document. I fully release and discharge AMTEC and its Staff from all liabilities in connection with the engine disassembly.
